* All Licences are perpetual and include the first 12 months maintenance. Subsequent years' maintenance is charged at 30% of the prices shown and includes upgrades and technical support (available 24/7). Subsidiaries must be at least 50% owned by Licensee to use the same Licence. Test, Development and UAT Licences are provided at no additional cost. All prices are shown without GST. The GST always needs to be added on the top of the license price to get the full price.
