## Kentico Announces Latest Addition to Most Valuable Professional (MVP) Program

*Evident's David te Kloese Brings Passion and Experience to the CMS and .NET Communities*

**Bedford, New Hampshire, USA, June 1, 2016** – [Kentico Software](#), provider of an all-in-one CMS, E-commerce, and Online Marketing platform, announced today the expansion of the Kentico MVP program through the addition of David te Kloese, Lead Software Developer at Evident, a digital marketing agency and Kentico Gold partner based in the Netherlands.

"David te Kloese joins a very select group of Kentico developers that are choosing to give back to the Kentico community, going above and beyond the call to help improve the Kentico experience," said Bryan Soltis, Technical Evangelist at Kentico. "He has been a very active developer in the community for years, having published numerous blogs, presented on Kentico at several events, and is one of the most active members of the DevNet community."

te Kloese is a regular presence at the Kentico Connection conferences and Kentico Benelux User Group meetings, and is currently the 4<sup>th</sup> most active developer on the Kentico [leaderboard](#). He will continue to be based in Europe.

"I am delighted to be part of the Kentico MVP team," said te Kloese. "I enjoy helping other developers get the absolute most out of Kentico's technology and am looking forward to more aggressively supporting Kentico's DevNet community."

te Kloese has been using Kentico exclusively to build customer sites for more than five years and joins the following Kentico MVPs already in the program:

- Andy Thompson of [Get Started](#) (Australia)
- Brenden Kehren of [Kehren Development](#) (USA)
- Brian McKeiver of [Bizstream](#) (USA)
- Ilesh Mistry of [MMT Digital](#) (United Kingdom)
- Jeroen Fürst of [TrueLime](#) (The Netherlands)
- Laura Frese of [iMedia](#) (USA)
- Michael Kinkaid of [e-centricarts](#) (Canada)
- Roman Hutnyk of [Bits Orchestra](#) (USA)

Launched in 2009, the Kentico MVP Program brings together the best and the brightest developers from the Kentico partner community and positions them as resources to help and support the community at large. Kentico MVPs are selected from hundreds of Kentico experts residing in some 100 countries around the globe. More information about the program can be found at <http://www.kentico.com/Company/MVP>.
